Hall of Fame Application – Superior Performance

Any member of the Nevada State USBC may nominate one or more bowlers by submitting the appropriate application form (Superior Performance or Meritorious Service) to the Hall of Fame committee. Nominations for any year may be submitted to the Hall of Fame committee at any time but must be submitted no later than April 1st to be considered for that year's election.

Non-selectees whose applications are not updated are automatically considered for four additional years. After this time, a new application will be required for additional consideration. Updated applications are considered for five years from the date of update.

In addition to the nominations for living members, posthumous nominations are acceptable.

The forms may be filled out online but must be signed and mailed to the address listed on page one of the nomination form.

Bowlers may be nominated in both categories.

Please put some thought in to completing the narrative page as often it is the only thing that separates two equally qualified candidates.

Copies of these forms may also be obtained from the Nevada State USBC website at www.bowlnv.com.
