If a player does not have a current average of 9 games, they will use their 2024-2025 book average. If a bowler does not have either of the above averages, they will bowl scratch (220). All bowlers and coaches are responsible for submitting league sheets from all the leagues they participated in for the 2025-2026 season. If incorrect averages are submitted, bowlers will be re-rated with the correct average and placed in the correct division.
4. All entries submitted must have a verifiable average attached. Average verifications must have the bowler's name, average, and number of games bowled. (A copy of the most current or final league standing sheet, as of March 21<sup>st</sup>, 2026).
5. Bowlers are not limited to the number of times they may enter the Team event, providing there are no more than two (2) of the same bowlers on a new team. **THE FIRST TEAM EVENT SERIES IS TO BE COUNTED IN ALL EVENTS.** Pacers will not be allowed. Doubles will be bowled first. Doubles in all Divisions may consist of two (2) boys, two (2) girls or mixed. If one bowler is late for the Doubles event, the entrant present will bowl Singles first. If their partner has not arrived by the time the Singles games are complete, and a substitute is not available, they will be permitted to bowl their Doubles games to qualify for all events. **Bowlers are** allowed to enter singles more than once; but you can only cash once.
